

## ZKC Operation Raincheck

Receive a briefing on air traffic control and the Kansas City ARTCC. Tour the weather service unit and traffic management unit. Pilots will have the opportunity to control air traffic in our simulation lab and spend time plugged in with a controller working live air traffic. Wings credit available.

**Directions:** I-35 at Exit 218. East on Santa Fe (135th St.) South on Clairborne Rd. West on Rogers Rd. Visitor Parking on west side of complex.

### A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
